

# March 2010

## A Word From the Principal

Year in and year out Cheverus School has maintained a reputation for spiritual and academic excellence. Year after year this is shown through the successes of our students.

I do not think this can be said enough, we have a very special school in Cheverus. We offer a long and strong tradition of faith and community awareness. At the same time we provide a **SUPERIOR EDUCATION**, in a caring atmosphere. Please tell your friends what a wonderful education we provide. You and your children are our best form of advertisement. Show your **CHEVERUS PRIDE!**

The biggest fundraiser of the year is here. Please support the **Spring Fling Dinner Auction** on March 20, 2010. In doing so, you help your child's school. There are many exciting items available only at the auction... maybe your child would like to go to lunch with the principal, or would you like a reserved front row seat at graduation?

I am very proud of our students and families. Thanks to the generosity of all, I mailed a check for \$1435 to Catholic Relief Services to help the people of Haiti.

Tuesday, March 2, 2010 we celebrate Dr. Seuss' birthday by inviting several special guests to read to our students. Mayor Richard Howard, Representative Christopher Fallon, Pastor of Saint Joseph's, Father Minigan and our Pastor, Father Hickey and several other special guests will join us.

We are still waiting to hear back from the bank with the results of the Penny Game. I will announce them as soon as we know.

## **Preschool**

Beginning for the 2010 - 2011 school year the Cheverus Preschool will have a five day program available for three and four year olds. There will also be a three day option for both ages. More information will be coming soon. In addition we are investigating the need for extended day for the preschool students. Watch for more information soon!
