Attached is a Registration form for the 2010-2011 school year. This form is strictly for those children who are presently attending Cheverus School. Registration for new students to the school requires a different form. If you plan to register another child from your family in addition to the children you are already sending to Cheverus, you will need to complete a Sibling Registration Form. If you intend to register a child for Pre-School, you must come into the office.

Do not forget to enclose your non-refundable \$150.00 registration fee for your family. This includes all family registrations for preschool through eighth grade. No registration will be considered complete without the registration fee.

PLEASE NOTE:

1. You will complete one registration form per family. Write all children's names and grades on this one form (EXCEPT NEW SIBLINGS) and return this form to the school by January 8th along with the \$150.00 registration fee.
2. The registration fee will increase to \$200.00 after January 15, 2010.
