A Word From the Principal

I am looking forward to a fun and successful Catholic Schools Week. Open House for new families is this Sunday. We hope to have many visitors. Please spread the word. We are very aware of the tough economic times many are facing. Difficult decisions must be made. Always remember Cheverus is an investment in your child's future which will payback

Dividends for Life!

I am so proud of our school community for so many reasons. Just recently for the response for help for the people of Haiti. At our prayer service we collected \$979.48. This month's N.U.T. Day money will be added to that and we will send our donation to Catholic Relief Services. Thank you for all you do to help others!

Did you know?

- Catholic school students outperform their peers in Reading and Math. You can view the NAEP test results on the National Catholic Education Association web site. (ncea.org)
- Students who complete at least eighth grade in private or Catholic school are twice as likely as other students to graduate from college.
- On the Terra Nova testing Catholic school students:
 - perform at the eleventh grade level in eighth grade
 - Score 50 percent higher than the national average

I can not stress enough how important this is. You, our current families, are our best advertisement. Please tell your neighbors and friends we are the best elementary school in the city of Malden. It may be a sacrifice, but your children are worth it! CHEVERUS IS WORTH IT!

Announcing a New Scholarship

Last year Cheverus received a substantial directed donation. The instructions were to establish a trust and create three scholarships based on the interest the trust receives. The three scholarships are: The Margaret Crimmins Nugent Scholarship, The Nancy E. York Scholarship and The William and Mary York Scholarship. Students in seventh grade entering the Cheverus eighth grade are eligible to apply for any of these scholarships. The application information will be distributed in the beginning of March.

First Penance

Congratulations to our second grade students who received their First Penance on Saturday, December 19th in Sacred Hearts Church. This Sacrament is in preparation for First Eucharist. Information on First Eucharist is available from The Religious Ed Office @ 781 322-5211 or on our parish web site @ sacredheartsparish.org.
